

# This is an instruction manual on how to use Connector Votre Maison.

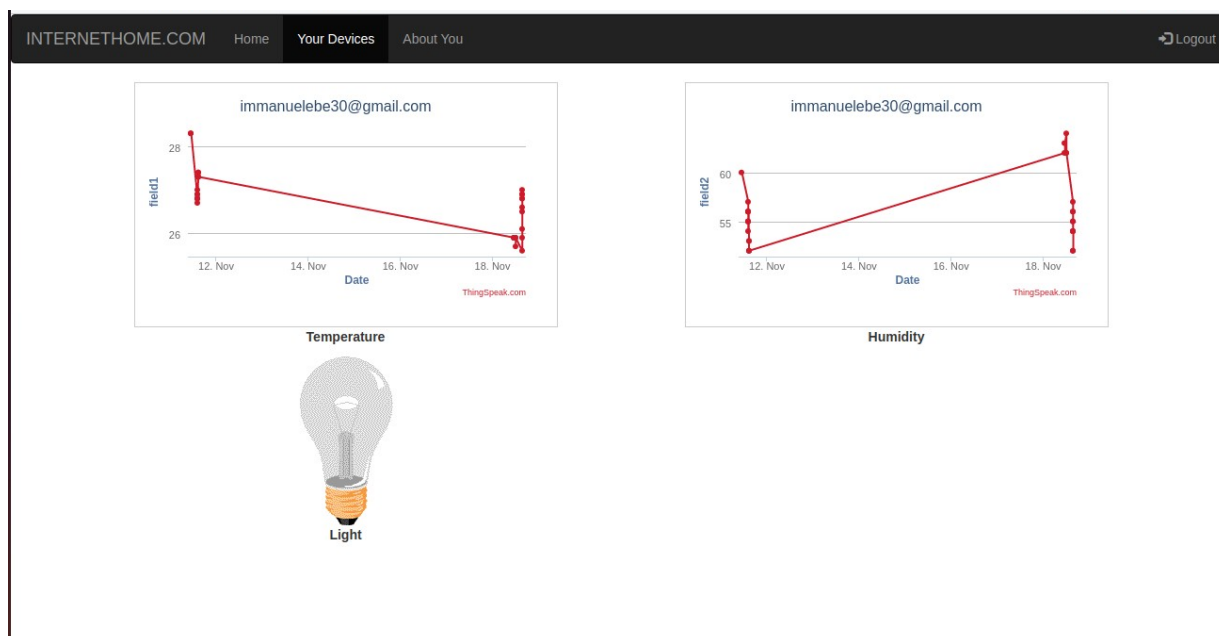

Once you have logged in to the our WEB application you 3 pages to navigate.

Clicking on 'Home' brings you here to the manual.

Click on 'Your devices' to view the smart devices you have installed. It would be something like this:

## Your Devices:

1. **Temperature:** It shows you the temperature at your home, so that you can monitor it for unusual change in temperature.
2. **Humidity:** It shows you the humidity at your home, so that you can monitor it for unusual change in humidity.
3. **Light:** It is the status of your installed smart light, click on it to change the status.

The bulb is **OFF** at the moment.

The bulb is **ON** at the moment.

Clicking on 'About You' takes you to a page where you can update your details or change your password (and **delete!** your account if you really want to).
